

Games Tutor

Job Title : Games Tutor

Location : Dv8 Brighton & Bexhill

Salary: Up to £24k FTE depending on experience

Hours of work: Up to Full Time

Closing date for application: 23/09/2022 (9am)

Start Date: Immediate

Job Purpose : Dv8 Sussex is seeking enthusiastic, motivated Games tutors to support our students in small group sessions at our Brighton & Bexhill centres. We are looking for tutors, educated to degree level in a games design or digital media area (or closely related subjects) and/or with relevant industry experience to deliver and assess on RSL Level 2 & 3 Creative Digital Media programmes. Teaching and tutoring experience and/or qualifications are preferable, but not essential.

Company outline : Dv8 Sussex specialises in delivering learning, assessment and teaching for young people in creative subjects. We aim to empower young creative people for readiness to higher education and employment.

Key Responsibilities

Teaching Learning and Assessment

- Involvement in planning, delivery and assessment of Games provision in

line with internal quality and required exam board outcomes.

- Use student profile information and initial assessment information to plan for effective delivery and differentiation of learning.
- Ensure assessment of learning is on-going, effective and delivered as per the agreed assessment plan.
- Responsible for the progress and success of designated learners with targets agreed by the Head of Curriculum.
- Tutor learners based on Individual Learning Plans and monitor, support and challenge learner targets, attendance and attainment.
- Liaise with parents and carers as and when required to support student achievement.
- Create a positive environment for learning and set high expectations for learners regarding attendance, punctuality, engagement and achievement.

This is not an exhaustive list of duties and responsibilities. The post holder will be expected to undertake other tasks and duties commensurate with the role.

Person Specification

Qualifications & Knowledge

- A Degree level qualification ideally in a related sector area.
- Hold a formal teaching qualification at level 4 (CTLLS or equivalent) or above (preferable although not essential)
- Experience in 3D modelling (Blender preferred), and Unity/C# or Unreal/C++.

Personal attributes and qualities

- Good organisational and administrative skills
- Good IT skills
- The ability to work flexibly as part of a team.
- Experience of teaching online
- The ability to contribute to the development of the curriculum and resources.
- The suitability to work with children and young people.
- Excellent communication and interpersonal skills.
- A good work ethic with the ability to work under pressure, to be flexible, thorough and accurate.
- A commitment to provide an outstanding and inspirational service to staff and students.
- A commitment to Dv8's core values, with particular focus on student success through high-quality teaching, learning and assessment.
